The following questions are a guide to assist with your submission. These are optional and you may answer any or all of them. Please send us your response to the questions below in a separate document.

1. What improvements should the NSW Government consider making to the existing Private Native Forestry Codes of Practice (Northern NSW, Southern NSW, River Red Gum forests, and Cypress and Western Hardwood Forests)? Please specify which Code you are referring to.

2. Do you have any suggestions to ensure the Private Native Forestry regulatory settings are efficient, enforceable and effective? YES STOP WINTERING WITH ENVIRONMENTAL WATER - ITS DONE MORE HARM THAN GOOD.

3. How can the NSW Government improve the authorisation and approval system for Private Native Forestry? ITS OK.

4. What training and advice services would assist landholders, industry and the community?

5. Do you have any other comments or feedback relevant to Private Native Forestry that you would like to share with us?
