Landholder training: Saving dollars - making sense

This project is designed to assist landholders to undertake training courses in a group environment. Landholders will be advised what courses will be available and to what amount they will receive a rebate after Expressions Of Interest close on 30 August 2019.

Training opportunities

Some of the courses will include - but are not limited to:

- Lifetime ewe / Heifer management
- Low-stress Stock Handling
- Holistic Management
- Farming and Grazing for Profit
- Understanding Soil Biology
- Restoring Landscape function

This project aims to foster peer to peer learning. Participants will be encouraged and supported to form management groups so they can continue to share knowledge in to the future.

What assistance is available?

- Funding is limited. Landholders must submit an Expression Of Interest via www.lls.nsw.gov.au/riverina by 30 August 2019
- Once an EOI has been submitted, a Riverina Local Land Services officer will contact you to discuss the training opportunities available
- Direct financial contribution of 50% of the fixed cost of the training activity is available

Eligibility to apply

To be eligible for this project:

- All previous works funded by Riverina Local Land Services or Catchment Management Authority must be completed
- You must have no outstanding debts to Riverina Local Land Services
